Fire & EMS Expense Distribution

Notes:

1) Total Population data provided by the Office of Economic and Demographic Research - Florida Population Estimates for Counties - Countywide, Unincorporated, and Incorporated Totals: 1972-2014 [xls]

2) Total Expenditure (net Transfers) data, as well as, EMS and Fire Control data provided by the Florida CFO's Office - Government Accounting Office - Local Government Reporting Section via the FY 2013 Annual Financial Reports.

3) Sub-Total amounts for EMS expenditures or Fire Control expenditures, as well as the distribution of these reported expenditures for some counties may be skewed due to internal reporting and/or accounting practices.
